## Understanding Your Benefits

### Deductibles

You pay the following amounts each year before your health plan starts to pay toward the cost of covered services:

- \$3,000 per individual plan;  
\$6,000 per family plan in network
- \$6,000 per individual plan;  
\$12,000 per family plan out of network
- **Aggregate deductible:** All deductible payments count toward the family deductible, one or all can meet it.

### Out-of-pocket Limits

The following is the maximum amount you would pay out-of-pocket for covered healthcare services each year, including deductible, copays, and coinsurance.

- \$6,350 per individual plan;  
\$12,700 per family plan in network
- \$19,050 per individual plan;  
\$38,100 per family plan out of network
- **Hybrid out-of-pocket:** All out-of-pocket payments count toward the family out-of-pocket limit. The individual will never pay more than their individual out-of-pocket amount.

### Please note:

The deductible and out-of-pocket limits are separate for in-network and out-of-network services.
